ABSTRACT: This template file provides essential information on how to prepare and submit an abstract to contribute to AMSIC-4 hosted by the city of Addis Ababa in Ethiopia. Please follow them as precisely as possible. We would like to receive all abstracts **no later than June 30, 2024**. Type your abstract in no more than 700 words, followed by the keywords up to 5 words. For purpose of consistency we recommend that you use the same format as this abstract by adopting Times New Roman (size 12) font type. After submitting your abstract, you may submit a short paper before **July 31st 2024**. The jury will inform you whether your submission is selected for an oral or poster communication **by July 20, 2024**. **It is recommended that final papers comprise between two (2) and five (5) A4-pages and 4 MB in a file size.** The title is in bold capital letters and centered at the top of the first page. It must be followed by the author(s) name(s), and organization(s). Leave one bank line between the title and the name of the author(s). When several authors prepare a paper, the name of the corresponding author should be underlined. The name of each one's organization should be easily distinguished.

Keywords: renewable energy, ultrafiltration membrane, protein recovery, paper size (up to 5 words)
